SUMMER 2015 GYPO STYLE CHALLENGE OUTFITS

Summer 2015 GYPO Style Challenge

Day 1: Denim Vest or Chambray + Flowy Tee or Tank + Printed Shorts + Wedges

Substitution: Romper for top and shorts.

Pretty Style Tip of the Day: If you opt to wear a button down chambray, tuck the front of the flowy tee or tank into your shorts and wear it unbuttoned [like this](#).

Day 2: Graphic Tee + Bright Shorts + Metallic Sandals

Pretty Style Tip of the Day: The bright colors in this outfit scream for a fresh, fun pedicure. Try a pinkish coral like [this one](#). It looks great with all skin tones!

Day 3: Denim Vest or Chambray + White Dress + Hair Wrap

Pretty Style Tip of the Day: For a different look, try knotting your chambray shirt at the waist [like this](#) or substituting a denim jacket for the vest.

Day 4: Chambray + White Tank + Dark Wash Jeans + Hoop Earrings + Bright Flats

Pretty Style Tip of the Day: Denim on denim is a-OK! The key to pulling off this look is making sure your denims are two different washes. Add a fun pop of color with flats and a handbag in bright contrasting colors.

Day 5: Lace Top + Bright Shorts + Colorful Necklace + Wedges

Pretty Style Tip of the Day: Lace tops pop against bright shorts but look equally as stylish against pale pastels. Try pairing yours up with different colors to see what you like best.

Day 6: Chambray Top + White Shorts + Sneakers + Hair Wrap

Substitution: Denim Vest or Jacket with Tank or Tee Under.

Pretty Style Tip of the Day: There's nothing better than a cute, comfortable put together outfit for running around in. This one checks all the boxes! If your hair is longer, try a messy top knot [like this](#) with your hair wrap.

Day 7: Denim Vest + Maxi Dress + Wedges

Substitution: Denim Jacket or Chambray

Pretty Style Tip of the Day: Denim vests and maxi dresses are a match made in style heaven. If you opt for the chambray, try it knotted at the waist to create a great silhouette.

Day 8: Flowy Tank + Printed Shorts or Palazzo Pants + Metallic Sandals

Pretty Style Tip of the Day: Palazzo pants are light and comfortable for summer. The key to keeping your proportions balanced out is to wear something more fitted on top.
